New School Hall - Fund Raising

Request for Donations and Wall of Honour

What's the Project and Why do we need your donation?

At St John's we have been campaigning for a number years to get a new school hall to replace our present sub standard facilities to allow all the school's children to comfortably meet for assembly together and provide a suitable space for physical education and other school activities. In addition, we are hopeful of incorporating a new library, a replacement classroom for a temporary building we have to use and refurbishment of our kitchen facilities.

In December 2005, we were finally successful in gaining Government approval to proceed. Good you might say. The down side is that as a Church of England, Voluntary Aided School we have to find at least 10% of the project's cost. We have always known this, and have spent the last 5 years raising funds to ensure we had the funds in place, and so far we have managed to raise our expected minimum liability. That said, we are conscious that we will end up having to spend more should our construction prices come in over the budget and more importantly that the project will only provide the basic shell of the buildings and not provide for a large proportion of the equipment, furniture and teaching aids we would hope to provide in the hall, library and classroom, hence our request.

What's the Wall of Honour?

This is an opportunity we are offering to the local community, pupils & families (past and present) and local businesses to help us provide that final push to raise funds or services in kind, and for that specific donation to be recognised in the form of a dedication plaque(s) to be erected inside the school hall as a permanent reminder to the school of the support it has received.

If you wish to have further information please contact the school on 01707 322589 or admin@stjohns561.herts.sch.uk.

Donation Form

Details

Name: _____
